GEC23 Tutorial Feedback Form

Thank you for attending a GEC23 tutorial. Your feedback will help us improve future tutorials.

Please give your frank feedback by completing this questionnaire, either online or by requesting a paper copy from your tutorial leader. Please complete a SEPARATE FORM for each tutorial you attend. You may choose to remain anonymous.

Online feedback form: http://tinyurl.com/gec23-feedback

* Required

Basic Information (ONLY THESE FOUR QUESTIONS ARE REQUIRED)

Which tutorial did you attend? (Please SELECT ONE TUTORIAL; you will be given a separate questionnaire for each tutorial you attend.) *

◯ Newcomers Day (Mon 06/15 9am - 5.30pm)

◯ Build your own Cloud using CloudLab (Tue 06/16 10.30am - 12.30pm)

◯ Building Experiments using the GENI and SAVI Testbeds (Tue 06/16 10.30am - 12.30pm)

◯ Programming GENI OpenFlow Resources (Wed 06/17 1.30pm - 3.30pm)

◯ WAN Experiments using VTS (Wed 1.30pm - 5.30pm)

◯ Building Controllers for OpenFlow 1.3

Did you participate in the hands-on exercises? *

◯ Yes

◯ No

What is your overall rating of this tutorial? *

	1	2	3	4	5	
Waste of time	◯	◯	◯	◯	◯	Super

How engaged were you during the tutorial? *

	1	2	3	4	5	
Not engaged (out of the room, reading email, napping, etc.)	◯	◯	◯	◯	◯	Fully engaged (attended whole tutorial, paid attention, completed exercises)

Additional Ratings (Optional)

How interesting was the material?

1   2   3   4   5

Dull ⭘ ⭘ ⭘ ⭘ ⭘ Fascinating

Was (were) the presenter(s) prepared?

1   2   3   4   5

Unprepared ⭘ ⭘ ⭘ ⭘ ⭘ Well-prepared

How well-designed were the examples / exercises?

1   2   3   4   5

Useless ⭘ ⭘ ⭘ ⭘ ⭘ Right on target

What was your level of knowledge of the tutorial topic before you attended the tutorial?

1   2   3   4   5

Never heard of it ⭘ ⭘ ⭘ ⭘ ⭘ Expert

What did you hope to get out of this tutorial?
Choose as many as apply.

☐ Gain general familiarity with the technology - understand its purpose, development status, etc.

☐ Get started using the capability hands on (e.g. write "Hello, world" or equivalent)

☐ Get help integrating capability with my experiment

☐ Get help troubleshooting a problem I have using the capability

☐ Influence future development of the capability

☐ Other: [_____]

Was the material at an appropriate level?

⭘ No - too advanced

⭘ Yes - about right

⭘ No - too basic

⭘ Other: [_____]

How was the logistical support (e.g. computing resources, network, seating, etc.)?

1   2   3   4   5

Inadequate ○ ○ ○ ○ ○ Great

Please offer suggestions for improving this tutorial.

Are there tutorials or sessions you'd like to see offered at future GENI/Ignite conferences?

Personal information (Optional)

Your name

Your e-mail address?

Thank you!

We appreciate your feedback.
