WG Goals for Spiral 2

- **Review "GENI End-User Opt-In Overview" document**
  - Goal to reach rough consensus
  - Further define acceptable use agreements, and best practices?
  - Who is willing to help?

- **Review "GENI Structure Overview" document**
  - Goal to reach rough consensus
  - Need to involve other WGs......how?
  - Further define expected range of GENI structures and agreements?
  - Who is willing to help?

- **Other?**

How can you participate in the WG?

- **Check wiki for activities:**
  - http://groups.geni.net/geni/wiki/GeniOptIn
  - See meeting announcements, notes, presentations
  - Check work in progress, DRAFT documents, etc.
- **Join the mailing list!**
  - Listen, and then participate in a discussion.
  - Participate in document reviews
  - Once you are on a list, you can contribute to the wiki.
- **Attend meetings**
